President's Message

DEAR FRIENDS:

Thank you for your continuous and generous support of Manor Junior College. Your gifts are the foundation for Manor's commitment to academic excellence. I want you to know that your generosity is supported by the efforts of the Board of Trustees, Council of President's Associates and the entire college community.

Evidence of this support is the recent Business Outreach program initiated by the Council of President's Associates for over 600 area businesses. In response to the employment and training needs of these businesses, Manor committed funds to establish a new IBM Compatible Networking Computer Center; revised our business courses, and opened our facilities to area businesses.

Manor, recognizing additional community needs, introduced a new Paralegal Program; purchased computer-aided transcription equipment for Manor's Court Reporting Program, and introduced new patient services in Manor's Dental Health Center. I am happy to report that all these efforts and your generosity resulted in a 20 percent increase in enrollment, an increase in the presence of male students on campus, and dynamic growth in the Paralegal, Veterinary Technician and Court Reporting Programs. We anticipate future growth in the Liberal Arts and Business Programs. In order to sustain and accelerate this growth, I appeal to you to continue your generous support, to tell your friends about Manor's exciting achievements, to be Manor's presence in your community.

I thank you, dear benefactors, for helping Manor Junior College to expand its programs and grow in enrollment. I thank you for your kindness and generosity. The Divine Liturgy is offered for you and your loved ones throughout the year. I ask our gracious God to bless you with good health, peace and joy.

With prayers and good wishes,

Sister Mary Cecilia, OSBM
President

Annual Report 1988-1989

This special isue of Manorama contains the Annual Report for the 1988-1989 fiscal year. In this report of gifts you will find the names of donors who made gifts that were received by Manor Junior College between July 1, 1988 and June 30, 1989, when the fiscal year ended at Manor. Donors whose gifts were received by Manor after June 30, 1989 will be included in the next Annual Report issue for 1989-90.

This Annual Report includes gifts that were made to support Manor Junior College's **"SPECIAL FUTURE FUND."** This "Special Future Fund" includes:

— the Capital Campaign to raise $2.5 million to develop the campus, improve existing facilities and initiate new programs.

— the Annual Fund which provides assistance for existing programs.

Contributors that have been pledged to the Capital Campaign are listed under actual dollar amounts received for the fiscal year 1988-89 and are also listed in the general pledge category. At the end of the Capital Campaign, a complete report will be published at which time contributions received by those pledged will be placed in the category of gift-giving for the total amount pledged and received.

Donors are listed under one of the following categories:

1. **BASILIAN BENEFACTORS;** donors who have generously given $1,000 or more during the fiscal year. Its symbol, the burning torch, has long been associated with St. Basil whose order of Ukrainian Sisters founded Manor.
2. **MANOR ASSOCIATES:** donors of $500 to $999. The official Manor seal serves as an emblem for this group.
3. Named for St. Macrinia the **MACRINIAN SOCIETY:** donors have given $250 to $499. The Society's symbol is the oak leaf. (St. Macrinia established the first community of Sisters of St. Basil the Great.)
4. The **BLUE AND WHITE CLUB** is named for Manor's school colors. Donor's under the Blue and White banner are contributors of $100 to $249.
5. **FRIENDS** of Manor are those who contribute less than $100.

Alumni are designated by the year of their graduation followed by their names, and listed under category of gift-giving.

Every effort has been made to list donors correctly in their proper category, and in the case of alumni by their class year. However, in a list of this length, errors can occur, so if your name is misspelled or inadvertently omitted, please accept our apologies and contact the President's Office at Manor Junior College.

DEVELOPMENT

Periodically, the college expresses its obligation of accountability for funds received from various generous sources of giving. This Annual Report for the fiscal year 1988-89 lists total gifts and grants contributed by the many loyal friends of Manor Jr. College.

Our Annual Giving goal for this year was $80,500. I am happy to report that Manor exceeded its goal by $11,394.98. Money raised through Annual Giving is used to support the day-to-day operations of a college. Annual Giving is truly the cornerstone upon which all other fund-raising programs are built, but it alone cannot provide the amount of substantial private funding needed.

The Annual Unrestricted gifts this year total $35,770.05. At the same time Restricted gifts brought in $30,022.03 thus bringing total Annual Giving to $65,792.08. With $31,102.90 in Gifts-in-Kind from Manor's Generous Friends, Staff, Faculty and Board of Trustess, the grand total of $96,894.98 in Annual Giving has been achieved.

Government Grants in this fiscal year contributed a total of $57,437.00 to Manor Junior College:

Disadvantage #71-8006	$46,330.00
Learning Center Tutorials Equipment Grant	$11,107.00

In Capital Campaign funds a total of $9,600 was raised through Manor's efforts in striving to better the physical quality of the college. Manor Junior College's greatest success during this same period was in the Scholarship Campaign Fund which was enhanced by a $600,000 WAWRIW'S Trust Fund. Nine students currently are recipients of this benefit for the first time this year.

Manor Junior College must intensify the Capital Campaign as well as the Annual Giving Campaign in certain projects and solicitations in order to raise funds that will exceed Manor's goal. Hopefuly, Manor College anticipates an achievement of at least 10 percent increase in both its Capital Campaign and Annual Giving Goals.

The Development Office is soliciting names of volunteers who would like to assist Manor at various functions. Please call the college at 885-2360 if you could be of service to Manor.

To all our Organizations, Board Members and the many Generous Friends who donated to our Phonothon, Alumni, Annual, Christmas and Easter Appeals as well as the Special Projects in Computer Lab, Manor College is especially grateful for your support. Others contributed Gifts-in-Kind and have also assisted Manor Junior College through various gifts of support. May God reward and bless all you, dedicated benefactors.
